

Philosophers

Which philosopher said/wrote the following phrases:

Question 1 Man is born free, but is everywhere in chains?

Question 2 Religion is the sign of the oppressed - it is the opium of the people?

Question 3 I think, therefore, I am?

Question 4 If God did not exist, it would be necessary to invent him?

Question 5 For evil to prosper it only requires that good men do nothing?

Question 6 Man is condemned to be free?

Question 7 The only thing that I know is that I know nothing?

Question 8 Whereof one cannot speak, thereof one must be silent?

Question 9 God is dead, he remains dead, and we have killed him?

Question 10 God is not willing to everything and take away our free will?
